

Care of Barking Geckos

- **Water**
 - Check daily, top up or change when dirty
- **Feeding**
 - Feed 3-4 mealworms sprinkled with insectivore 3x week (Monday, Wednesday, Friday)
- **Handling**
 - Geckos are NOT to be handled
 - Bark may be lifted so students can get a closer look at the gecko
- Ensure cleaners aren't spraying chemicals around the enclosure
- Please check lizards at least once over the weekend
